So often as modern man impassively journeys through life, struggling to acquire a place in the present and hoping to insure a place in the future, he has a tendency to forget the past, an inclination to be unaware of the present. Reminiscing is one of man's most valuable gifts, yet frequently the one he treasures least. Man seldom makes full and wise use of time and when he finally realizes its true worth—it is gone forever. He can only look back and rejoice or regret.

Lambuth is an institution rich in memories, too often oblivious of its past. So within these pages there comes a time to rekindle an awareness of the importance of the past upon the present and to recapture moments which are a measure of the time spent here; there comes . . .

. . . A Time
to Remember . . .

Dr. Richard E. Womack, Dr. Sara V. Clement, Miss Katharine Clement, Dean Marvin E. Eagle, Dr. Arthur D. Oxley—these are people, and yet so much more than **just** people to us at Lambuth, for these five Christian men and women have been with Lambuth, suffering with her and rejoicing with her, since 1924 when the Memphis Conference Female Institute became Lambuth College. They lived and laughed and endured **with** Lambuth and **for** Lambuth until she was able to stand alone, stable and secure. Therefore, it is now appropriate to salute the good works of these five humanitarians.

. . . those individuals . . .

President Emeritus Richard E. Womack is an integral part of the past of Lambuth College. Without the consecrated efforts of this dedicated man, Lambuth could never have survived the demanding days of the Depression, nor progressed to its maturity in the following years. A familiar figure to us all—his proud walk and his majestic and applauded appearances at various major school functions—Dr. Womack is the very embodiment of the Lambuth Spirit.

Dr. James S. Wilder, now finishing his fifth year as President of Lambuth College, is the man who now exemplifies the spirit of Dr. Womack. The past year he has had the pleasure of seeing much of his own ambitious dream, the Lambuth Crusade, being turned into a vibrant reality.

Dr. James S. Wilder consults with President Emeritus Womack as plans are being made for the continued development of Lambuth.

Typifying the adage, "Behind every great man there is a woman," Mrs. Womack is still the same inspiration to Dr. Womack as in the past.

. . . who embody . . .

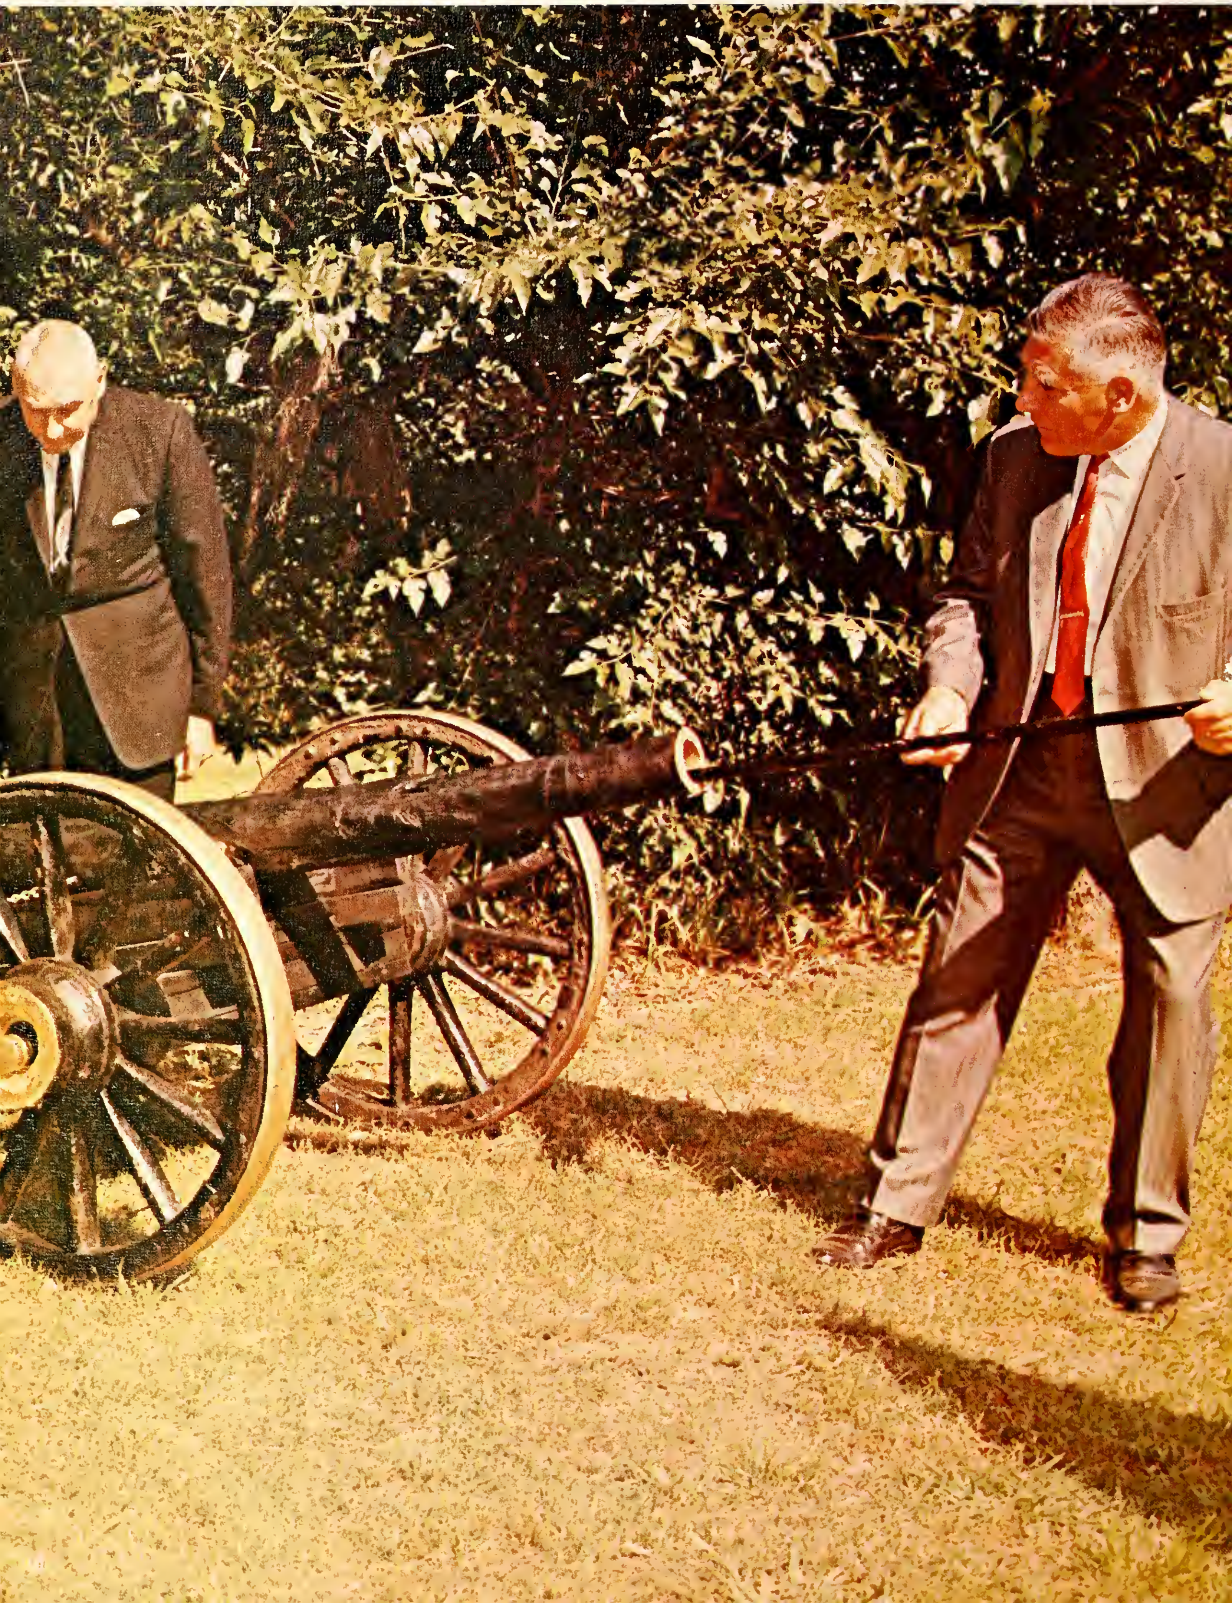

Although originally a French and Latin teacher, and director of the dramatics club from 1924 to 1946, Miss Katharine Clement is best remembered for her work in the library. She started the library in 1938 in one and one-half rooms of the administration building, expanded it into the whole north wing of the first floor, and finally, saw it moved into the present location. An administrator, an innovator, a woman of perception—Miss Katharine Clement.

A quiet but significant figure, Miss Sara V. Clement, may be seen daily as she goes about her familiar tasks in Jones Hall. Behind the serene, pleasant facial expression that "Miss Sara V." permanently wears are etched memories of experiences that richly bear testimony to the character of the woman she is. She has rendered numerous contributions to the college: the first and for many years the only English teacher, the builder of the English department, the founder and sponsor of the local Lambda Iota Tau chapter and the Omicron Phi Tau chapter, and **more.** A study in organization, sacrifice, and usefulness—Miss Sara V. Clement.

"Mem-o-ries"—Miss Sara reminds Miss Katharine that it was **she** who taught Miss Katharine to drive that first "A" model Ford!!

. . . the spirit of Lambuth

A philosophical biologist, a conversationalist, a dedicated teacher, Dr. Arthur D. Oxley is revered by both alumni and students. When the college was young and the demands of teachers were varied, Dr. Oxley adapted himself to the expanding school. He was assistant football coach, sponsor of the annual, which he named, and founder of the biology department. Through the years he has trained numerous biologists of renown and position. For his efforts, this versatile educator has the total esteem of both co-workers and students.

Dr. and Mrs. Oxley examine their **complete** collection of Lambuth yearbooks.

Perhaps the world's greatest authority on the Battle of Shiloh, Dean Marvin E. Eagle is a living legend in Lambuth's tradition. As a former academic dean of the college, head coach of the football team, and the first director of the athletic department, Dean Eagle is a man of varied ability and has earned the respect of students through the years. Probably the greatest testimony to this respect is the fact that the "Lambuth Eagles" were named for him. An educator in the profoundest sense, Dean Eagle is a man of character, authority, and venerability.

Mrs. Eagle watches as Dean Eagle practices his favorite sport.

. . . a time to remember
a HERITAGE of a free nation that offers
us an opportunity to learn,
of a pledge to yesterday's tradition,
of academic freedom and cultural achievement

. . . the RELATIONSHIPS that developed as we were intellectually awakened, as we came to know each other intimately, and as we worked and played together . . .

. . . and an AWARENESS that we acquired through the familiarization with books and a Book, through maturity and accomplishment, through moments with God and with people.

Yes, there has come a TIME to remember a year when we all took another stride toward achieving an awareness of our true self.

Certainly the acquisition of KNOWLEDGE is the main goal of a true college experience. But knowledge is not for the lethargic; it is for the industrious. "Seek and ye shall find." But no matter how diligently we may seek, we can never find knowledge unless there is someone to instill that knowledge. Therefore, as we reminisce about our past college experiences, o u r thoughts invariably turn to those who made our growth possible—the administration and faculty.

Humanities

The Humanities Division provides a broad and general understanding of the arts with an emphasis on intellectual discipline and development of talent and abilities. A study of the arts reveals the character and significance of mankind and probes the achievement of his mind.

Through the humanities curriculum—English, art, music, speech, drama, languages, religion, and philosophy—students not only gain insight into the subject matter but also develop a broader concept of themselves. The college requires a number of humanities courses deemed essential to the intellectual competence at which the liberal education aims. Thus, the Humanities Division is a necessity to the liberal arts education at Lambuth.

Dr. John DeBruyn, Professor of English; A.B. and A.M., University of Florida; M.A., Princeton; Ph.D., New York University.

Dr. Sarah V. Clement, Professor Emeritus of English; A.B., A.M., Litt.D.

Mrs. Grace Whetstone, Assistant Professor of English; A.B., Birmingham-Southern College; M.A., Searritt College.

Mrs. Mary M. Fleming, Lecturer of English; B.A., Hendrix College; M.A., University of Arkansas.

Miss Annie Lou Smith, Assistant Professor of English; A.B., Union University; M.A., Memphis State University; Ed.S., George Peabody; graduate work, University of Tennessee.

English

Introductory courses in English are designed to improve the student's ability to organize ideas, to write effective prose, and to read different types of literature with an appreciative understanding.

Advanced courses provide opportunities for students to develop skill in evaluating literature and to gain knowledge of the structure and evolution of the English language. Increasing emphasis is placed upon the importance of clear writing and speaking. Hence, those who concentrate in English find a close relationship between the discipline that English requires and their own vocational aims. For this reason, English courses are regularly included in all pre-professional education.

Mr. Bob J. Hazlewood, Assistant Professor of English, B.A. and M.A. Vanderbilt University; Ed.S., George Peabody; Candidate for Ph. D., George Peabody.

Lambda Iota Tau members: Judy Love, Jean Wright, Jean Gilbert, Martha Anderson, Becky Thurston, Jerrie Nelle Barnett (president). Not Pictured: Andy Halford, Carolyn Case, Lou Ellen Butts, Joe Kelly, and Donna Petty.

Dr. Esther Lee, Associate Professor of English; A.B.; Carson Newman College; M.A., George Peabody; Ph.D., George Peabody.

Lambda Iota Tau is an international literature honor society for students who are majoring or minoring in either English or a foreign language. The purpose of the society is to increase interest in literature and to encourage prospective writers. It is around this purpose that the monthly programs are centered. The moderator of the Lambuth Chapter, Alpha Xi, is Dr. Sarah V. Clement.

Foreign Language

German, French, Latin, and Spanish are the languages offered at Lambuth. A study of language is the best means by which one can gain a deeper understanding of another culture. The elementary courses stress comprehension and conversational ability in order to prepare the students for the literature and cultural aspects of the advanced courses.

Dr. Fred W. Jeans, Professor of Foreign Languages, A.B. and A.M., University of Kansas; Ph.D., Brown University

Mrs. Vera Rosenthal, Assistant Professor of Foreign Languages, B.A., Simpson College; M.A., State University of Iowa.

Mr. Loren C. McCullar, Instructor of German, A.B. and M.A., University of Mississippi

Mrs. Huguette P. Craft, Assistant Professor of French, B.A., Institut Aubert (France); B.P., Universite de Clermont (France)

Religion and Philosophy

Religion and philosophy study the basic presuppositions of human belief, thought, and action, critically examining all that is taken for granted when men claim to know what they are talking about and claim to be sure of what they are doing. Both religion and philosophy are relevant studies for those wishing a thoughtfully broad education as well as a direct Christian vocation. Study in these areas is invaluable for those anticipating careers of guidance and leadership.

Dr. William L. Power, Assistant Professor of Philosophy, B.A.E., University of Mississippi; B.D. and Ph.D., Emory University

Dr. Paul Blankenship, Assistant Professor of Religion, B.A., Lambuth College; B.D., Vanderbilt; Ph.D., Northwestern

Mr. Gene L. Davenport, Professor of Religion, B.A., Birmingham Southern; B.D., Vanderbilt; candidate for Ph.D. degree, Vanderbilt

Dean Harrell A. Townsend, Assistant Professor of Religion, A.B., Lambuth College; B.D., Vanderbilt

CVA officers are Chuck Harris, president, Norma Armstrong, public relations, Jan McQuiston, program chairman, and Bette Eppes.

Students at Lambuth who are either actively engaged in or contemplating entering a church vocation compose the CVA—the **Church Vocations Association.** The main purposes are to provide an atmosphere in which all items pertinent to members may be discussed openly and frankly, and to help enrich each member's life spiritually. This year the CVA has actively engaged the faculty in discussion on Christian concerns.

The concert choir, touring choir, and band compose the three music organizations at Lambuth. As each of these groups is different, each performs a different service to the college. The main contribution of the concert choir is its presentation of the annual Christmas candlelight service. A select group known as the touring choir is chosen from the concert choir. These students travel throughout West Tennessee and the surrounding area representing the college in numerous schools and churches. Both of these choirs are under the direction of Mr. Jo Fleming. Performing a fall concert and a spring concert as well as playing for the basketball games are the major contributions of the Lambuth band which is directed by Mr. Richard Brown.

Lambuth College Touring Choir presented special music to high school seniors on Senior

The Concert Band has contributed memorable moments to Lambuth's cultural program.

Music

The educational purpose of the Department of Music is directed toward assisting the individual student to the fullest possible development of his innate musical gifts and helping him to make the musical arts a constructive cultural asset in his own life and that of his fellow man, to the extent that this will be compatible with his own interests and happiness and that of the community in which he lives. Furthermore, the department aims to provide opportunities to the greatest possible number of students to share in the heritage of the music culture of the human race and in turn to contribute to this culture.

Mr. Fleming reveals future plans to the Lambuth Concert Choir.

Mr. Richard L. Brown, Instructor of Music, B.A., Hendrix College; M.A., University of Missouri.

Mr. Don L. Honeycutt, Instructor of Music, B.M., Stetson University M.M., Louisiana State University

Mr. Jo L. Fleming, Assistant Professor of Music, B.A., Hendrix College; M.M., Southern Methodist University candidate for S.Mus.D., Union Theological Seminary; graduate work, Perkins School and Boston University.

Mr. Wayland D. Rogers, Instructor of Music, B.M., University of Kentucky; M.M., Wichita State University.

Speech and Drama

This year **Lambuth Theatre** has been one of the most exciting and productive in its history. Ranging from religious drama to mime to works by both regional and world playwrights, the Attic Players, the regular season group, and the Halflighters, the religious drama segment on tour, have tried to present a varied and educational season. In addition, the theatre has sponsored a religious workshop. One of the most memorable events was the trip to New York during spring vacation. The theatre program has tried to stimulate interest in students, faculty, and administration in viewing drama as a means of self-understanding and education as well as entertainment.

Last minute rehearsals give Sally Lewis extra opportunity to complete lighting schemes.

Make-up must have a proper perspective to create each character.

The **Attic Players** are responsible for the all-student productions throughout the year.

Delta Psi Omega officers are Patty Page, president, Phyllis Hardin, vice-president, and Sally Lewis, secretary.

Mr. Jessee B. Bryum, Instructor of Speech and Forensics, A.B., Lambuth College; M.A., George Peabody

Dr. E. Reid Gilbert, Associate Professor of Speech and Drama, B.A., Duke; B.D., SMU; S.T.M., Union Theological Seminary; candidate for Ph.D. degree, University of Wisconsin

Every phase of theater production is important to a good performance.

Delta Psi Omega is an honorary fraternity for outstanding dramatists. A minumum of fifty points, earned through work in the theater, a test and a presentation by each candidate are requirements for admission. This year the members of Delta Psi Omega sponsored a one act play contest, with the winning play being presented by the Attic Players in the spring.

Art

Drawing, design, painting, ceramics, crafts, art education, and art history compose the courses offered by the Art Department at Lambuth. Programs of exhibition are presented monthly in the Art Gallery, which is located on the second floor of the Student Union Building. Here students study original examples of art in a variety of styles and media. Exhibitions this year have been presented by such artists as Joanna Higgs, John McIvor, and the faculties of MSCW and the University of Mississippi.

Gale Dawkins admires part of Dean Whetstone's private collection of arts and crafts from India.

Lynn Penner shows that creative art can be expressed in an unusual way.

Social Sciences

Business administration, sociology, education, psychology, history, and political science are included in the social sciences. It is through these courses, some of which are required as the basis for a general education and others which may be taken as electives, that the student becomes aware of the world in which he lives—of its past and present and future. By objective study the student gains a greater perspective and a foundation upon which to build a future career and to become a productive member of society.

Business Administration

Dr. Chester C. Carrothers, Visiting Professor of Economics, A.B., Upper Iowa University; A.M., Drake University; Ph.D., Ohio State University; graduate work at New York University and Northwestern University

Mr. Frank Welch, Assistant Professor of Sociology, B.A., Lambuth; B.D., Emory; M.S., Florida State

Mrs. Emily H. Clark, Associate Professor of Sociology, A.B., Lambuth College; A.M., Duke University

Sociology

Sociology at Lambuth is the study of religious, political, economic, educational, social, and family structures. Courses in Sociology are designed to provide the student with an understanding of the social character of human life, and of the impact of varying forms of social organization on human affairs. The department offers courses in courtship and marriage, social theory, the family, the community, criminology, and social psychology.

History

The field of history embraces the study of man from his earliest activities to the present. It includes the study of religion, finance, and politics, and provides an excellent foundation to many related fields of study. From the introductory courses such as American History and Western Civilization to the advanced studies such as Medieval History and Renaissance and Reformation, the goal of the Department of History is to develop objective thinking and perception in the relationship between the past and present.

Learn about all the world, not just your part of it.

Mr. David F. Snipes, Associate Professor of History, B.A., Lambuth College; M.A., University of Mississippi; graduate work, University of Southern California and Tulane University.

Dr. Marvin E. Eagle, Professor Emeritus of History, A.B., A.M., LL.D.

Dr. Martha Montgomery, Assistant Professor of History, A.B., M.A., Ph.D., Mississippi State University.

Mr. Ronald E. Adamson, Instructor of Political Science, B.S., Iowa State University; M.A. (Indian Studies), University of Wisconsin; M.A. (Political Science), University of Wisconsin

Mr. David King, Associate Professor of History, B.A., Maryville College; M.A., University of Chicago.

Political Science

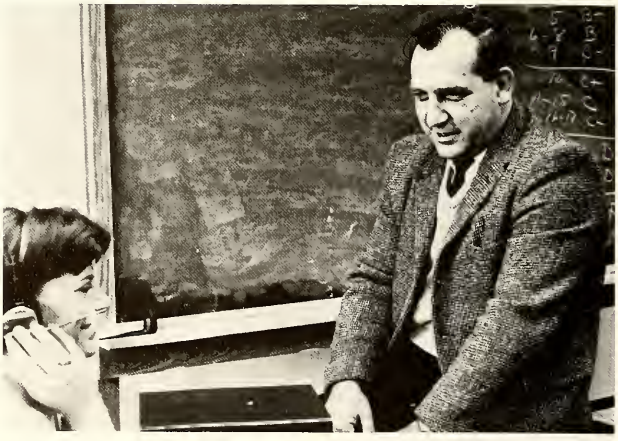

No matter which field a student plans to enter after graduation, he will be a citizen, and, as a citizen he has a certain responsibility to the society in which he lives. It is vitally important that he be prepared not only to understand the political issues that confront him but also to be motivated to participate intelligently and effectively in the political process. The Political Science Department motivates one to be such an effective citizen.

Psychology

The general objective of instruction in psychology is to give the student a scientific attitude toward, and an understanding of, human behavior. He is given an opportunity to learn what research has shown about how we learn, think, and perceive; how individuals differ from one another, how the personality develops from infancy to maturity; and how interpersonal factors affect human relations in the home, in the community, and on the job.

Dr. Elmer B. Inman, Associate Professor of Education, B.S., M.S., and Ed.D., University of Tennessee

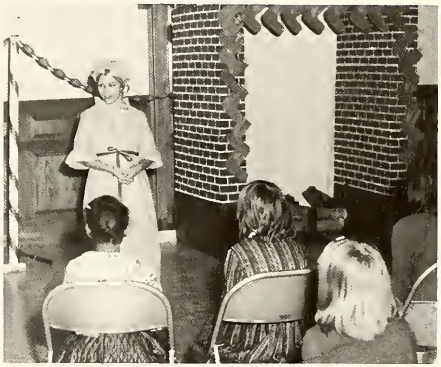

Mr. Harry E. Berryman, Assistant Professor of Psychology, B.S., Southeast Missouri State College; M.A., George Peabody College; Candidate for Ph.D. degree, George Peabody College.

Officers and members of SNEA plan events for the year. **Left to right,** Jean Wright, secretary, Garlin Manning, program chairman, Richard Gaugh, Judy Sanders, president, Ferris Moore; not pictured, Linda Denton, vice-president, Susan Black Durrett, treasurer.

The **Student National Educational Association** is an organization composed of students who are planning to enter the teaching profession. Programs this year included joint meetings with other colleges, films, and guest speakers. A hayride in the fall and picnic in the spring are part of the annual social calendar of SNEA. Traditional events of this chapter are the story hour, which is held on Saturday mornings for children of the administration, faculty, and staff, and the Christmas party for the educable-mentally retarded children in the Jackson area.

Mrs. Claus (Brenda Nichols) tells a Christmas story at the SNEA party.

Mr. Walter E. Helms, Associate Professor of Education, B.A., Lambuth College; M.A., Memphis State University; candidate for Ed.D., University of Tennessee

Dr. Dawson E. Lemley, Associate Professor of Psychology, A.B., West Virginia University; A.M., Virginia University; Ph.D., University of Pittsburgh

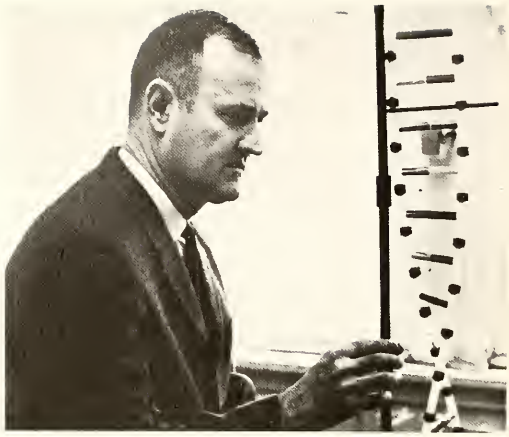

Education

The Department of Education offers to those students interested in the child and his welfare a well-rounded designed program emphasizing the needs of the child. Basic principles and issues are explored at length and the learning process is studied in all its aspects. Special educational interests are presented, enabling the future teacher to serve better his future students.

Natural Sciences

In this increasing scientific world the study of biology, chemistry, the physical sciences, mathematics, health and physical education, and home economics has become a necessity. With plans being made for journeys into space, man must study many hours to maintain the rapid pace set by his contemporaries, and through the study of these natural sciences, technical knowledge and experience can be developed and put to work in a manner favorable to mankind.

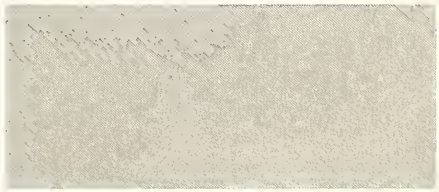

Progress is being made to help students learn more effectively through a new science building containing an observatory, a planetarium, modern laboratories. Thus, Lambuth moves forward.

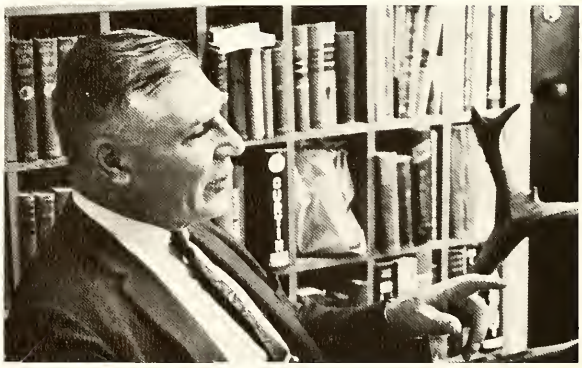

Dr. Robert A. Carlton, Professor of Biology, B.S., Lambuth College; M.A., George Peabody; Ph.D., Auburn University.

Mrs. **Josephine Booth,** Assistant Professor of Biology, B.S. and M.A., Middle Tennessee State College.

Delicate weights and balances provide advanced physics student Bruce Sanders with an intriguing situation.

Biology

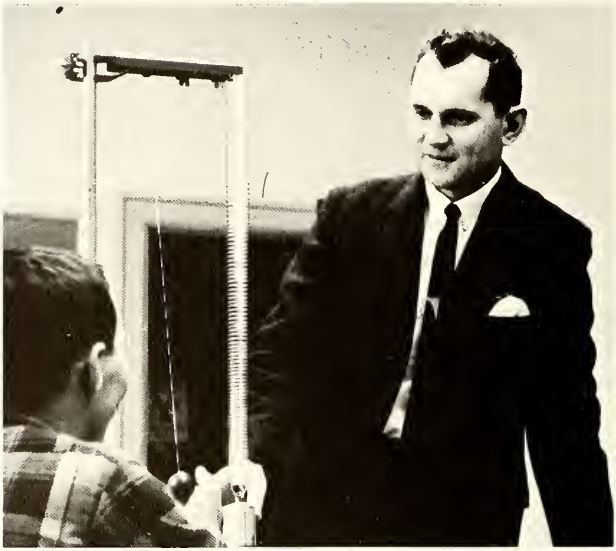

Knowledge and understanding of the world in which man lives is the goal of the Biology Department. At Lambuth areas of concentration include biology, the study of biological principles of animals and plants; bacteriology, an extensive study of micro-organisms; botany, an extensive study of plant science; and zoology, an extensive study of animals. Laboratory work is provided as a supplement to each course.

Physical Science

Today's world requires an understanding of mathematical and scientific knowledge. The courses in physical science not only provide this base but also provide a cultural value which lies chiefly in showing how a measure of order and meaning can be obtained from our otherwise bewildering observation in the world of matter. In advanced courses there is more emphasis on the development of technical knowledge and experience which is necessary in chemistry, mathematics, physics and related fields. The preciseness required in these courses prepares the student for even more advanced technical studies and teaches him how to think and apply much of the experience and knowledge of his college career.

Precise measurement often means the success or failure of an experiment in chemistry lab.

Mr. Joseph C. Watlington, Associate Professor of Sciences, B.S., Lambuth College; M.A., Memphis State University; M.B.S., University of Colorado

Mrs. Isabelle Newbill, Lecturer in Mathematics, B.S., Union University; graduate work, University of Chicago

Mr. **Henry S. Dupree Jr.,** Assistant Professor of Mathematics, B.S., Memphis State University; M.S., University of Mississippi

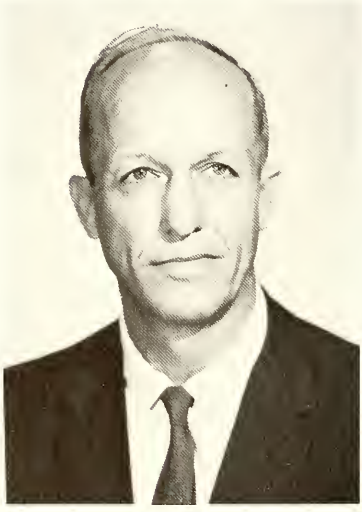

Mr. William W. Cummings, Associate Professor of Chemistry, B.S. and M.A., University of Alabama

Physical Education

The curriculum of the college stresses not only mental development but also physical activity for a well-balanced individual. Conditioning exercises include instruction in the techniques of play. A variety of individual sports are offered to all freshmen. Concentrated study includes personal and community health, first aid, officiating, and an emphasis on individual sports.

Mr. Charles Bray, Assistant Professor of Physical Education, B.A., Lambuth College; M.A George Peabody College for Teachers

Mr. Roscoe Williams, Chairman of Physical Education Dept. A.B., Hendrix College; M.A., George Peabody College

Mrs. Linda B. Cundiff, Instructor of Physical Education, B.S., Union University; M.S., University of Illinois

Home Economics

Home Economics may be considered a fast growing science including home management, baby care, personal relationship, nutrition, food preparation, and clothing construction. The department is perhaps one of the best preparations for a young girl who lives in the world of today. Lambuth lacks the facilities and personnel to offer a major in this area.

Further interest is developed by the Home Economics Club, which this year has sponsored many interesting projects including a bridal fashion show, cake decorating demonstrations, and panel discussion on career opportunities. The officers of the Home Economics Club are Mary Jane Rushing, president; Susie Welch, vice-president; Linda Clayton, secretary; Kay Selph, treasurer; Cathy Shaffer, assistant treasurer; and Judy Matthews, yearbook.

Girls in the Home Economics Club experiment with decorating Christmas cakes and cupcakes.

Mrs. Nelle Cobb, Assistant Professor of Home Economics, B.S., University of Georgia; M.S., Alabama Polytechnic Institute

. . . Where We Played . . .

Perhaps one of the most memorable, exciting, and necessary parts of college-life is athletics. And rightly so, for endless authorities throughout recorded history have emphasized the necessary correlation between mind and body. Athletic teams of a college are an integral, spirited part of a school and a national symbol of the spirit of maturing collegiates. The athletic contests, varsity and intramural, that helped us to grow mentally as well as physically are as shrouded in nostalgia, fond exaggeration, and pleasurable recall as any segment of our college careers. Therefore, it is altogether appropriate to take time to remember some of the people and some of the moments of a significant year of playing at Lambuth.

32

Lambuth Cheerleaders can never be repaid for their efforts at ballgames. The pep and zest they displayed at every outing of the Eagles is characteristic of the deep feeling they have for the Lambuth spirit. Being able to smile and cheer even in the face of defeat is a valuable lesson that we can all learn from them. Onnie Simmons has done an excellent job directing and coordinating the cheering activities. John Parish, a four letter man has contributed many long hours to help the team in several aspects. Returning from last year's squad are Paula Gilbert from Jackson, Tenn. and Bill Nunally from Grand Junction, Tenn. Newly elected team members are Junior Suzie Welch, Memphis, Tenn., Sophomores Don Holley, Ripley, Tenn. and Bob Brownyard, Erie Pa.; Freshmen Bonnie Samuels, Memphis, Tenn. and Bev Oller, Mt. Holley, N.J. and Jackie Skinner, Nashville, Tenn.

"It's not whether you win or lose, it's the way you play the game."

Perhaps nothing truer could be said about the 1966-67 season of the **Lambuth Eagles.** The games were played very well as the many close scores indicate, but the young Eagles lacked the experience necessary to weld them into a powerful team. Lambuth opened the season by dropping a game to Arkansas College 68-61. Sandy Abrams, 6' 8" center, looked good on the boards while guards Gary Kerby and Jim Gannon led in the scoring with 14 and 11 points. David Lipscomb handled Lambuth with ease 67-59. Belmont of Nashville sneaked by with 62-59 giving the Eagles their third loss of the season. Kerby looked like a star as he poured in 23 points to keep Lambuth in the game.

With feathers badly ruffled, the Eagles faced Bethel College with a determination that brought them from a fifteen point deficit at half-time to a 74-66 victory in a hotly contested affair. Sandy Abrams again proved himself with 23 points and several key rebounds.

With the feeling of victory under their belts, the **Eagles** travelled to Southwestern in Memphis to participate in the Dixie Tournament. Playing two tough teams, Lambuth lost to Belhaven 78-69, and to the Lynx of Southwestern 74-60. Returning to a home court carrying a 1-5 record, the Eagles again met Southwestern and came out on the short end of an exciting 44-43 ballgame. Walter Howell, 6' 5" forward and team captain began to prove his worth as he led the Eagles with 15 points and 15 rebounds to a 65-68 win over the highly rated team from Belmont.

A well-balanced scoring attack led by Gary Kerby (23), Sandy Abrams (17), Walt Howell (15), and Jim Gannon 11) could not prevent Belmont from winning 71-70 in what was one of the most thrilling games of the year.

Back on the home floor the **Eagles** faced the colorful Coach Varnel and the quintet from Sewanee. Jim Gannon turned in a brilliant performance as did Will Casper who came off the bench to help preserve a 60-58 win. The Eagle Nest was then host to Florence State as Gary Kerby led Lambuth to a 72-68 victory with 21 tallies to his credit. The next game found the Eagles on the road and narrowly slipping by Belhaven 67-65. Walter Howell and Sandy Abrams again played great games and led the team in scoring and rebounds. Millsaps fouled up the sweet taste of victory by dumping Big "L" 61-53. Nursing a 4-8 season record the Eagles came limping home. Florida Presbyterian College came storming through and returned home after belting Lambuth 77-65. The Eagles weren't that bad; the press was tremendous. Howell popped the net for 27 points while Abrams connected for 19 to contribute to the losing cause.

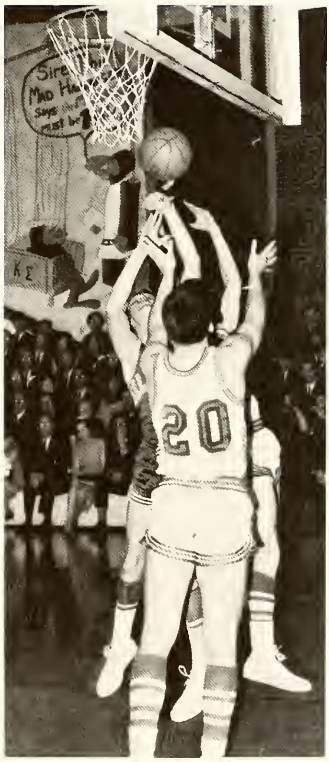

20

The Millsaps team ventured to Lambuth for the homecoming game and would have been better off if they had stayed at home. The Majors were roughed 86-59 as each Eagle gave his very best to insure the alumni of a happy Homecoming.

Travelling to Christian Brothers College in Memphis, Lambuth bowed to a 56-46 defeat despite the valiant try from freshmen Larry Tinsley and Will Casper.

The next stop was at the University of the South where another loss was recorded 54-44. Larry Tinsley again came through with several points and rebounds for the felled Eagles. The Eagles tangled with the Lynx of Southwestern and drew a nub as they were plucked 79-60. Howell, Tinsley, and Abrams teamed up, tallied 39 points and pulled Lambuth past Bethel for the second time of the season. With a 6-12 over all record, the Big "L" faced Florence State in the last season game and lost in the last few minutes of the game 70-65.

Lambuth Eagles had their ups and their downs during the 1966-67 season. The 7-13 record does not reflect the playing ability of the young team. Several of the games were lost by fewer than five points. Walter Howell, captain and also the first player to receive an athletic grant-in-aid, had his finest season leading in scoring and rebounding. **Dr. John DeBruyn** again served as statistician for the Eagles and did an excellent job keeping in order the facts and figures for Coach Williams. **Coach Roscoe Williams** has been the Lambuth mentor for the past 18 years. In that time his record is 312-127 with an average of 17-7. **Charles Bray, assistant coach,** came to Lambuth this fall from Jackson High School where he was on the coaching staff. He is a former outstanding Eagle guard. With these capable hands guiding the team, Lambuth moved forward to a successful season.

'67 Season Practice Begins

The 1966 **Baseball** season was somewhat dismal as it dropped to a 3-7 won-lost record from a 6-5 1965 season record. Albert Merkle was the outstanding player in the hit department with a neat .400 plus batting average. He was aided in this area by Walter Howell who finished with a .300 plus average.

The pitching department was led by James Robertson and Gregg Molinaro who returned this season, as did Merkle and Howell, to lead the team to a hopefully successful season. Coach Williams did a fine job of co-ordinating the team but simply seemed to lack the all-round team talent which is needed to have a winning ball club. This year, with the help of athletic scholarships, Lambuth had a faster, more powerful, and more agile team.

Lambuth's Golf team was led this year by lettermen Jack Jagoditch, Fred Musser, and Bubba Lane, with the help of freshman Jim Drexler. The three capable P.G.A. pro-tempories looked forward to an overwhelmingly successful season.

Lambuth's 1966 **Tennis** team was sparked by Juniors Edwin Hubbard and Jim Ostner along with Freshmen John May and Jerry Lee. However, their efforts were hardly reflected in the team's season record of 2-8. Unfortunately, the team's gallantry was dampered during the whole season because of the disadvantage of no coach and no equipment. More unfortunate than the lack of equipment, is the lack of tennis courts. As a result we did not have a tennis team this year, thus ending, temporarily, a colorful area of Lambuth's athletic program.

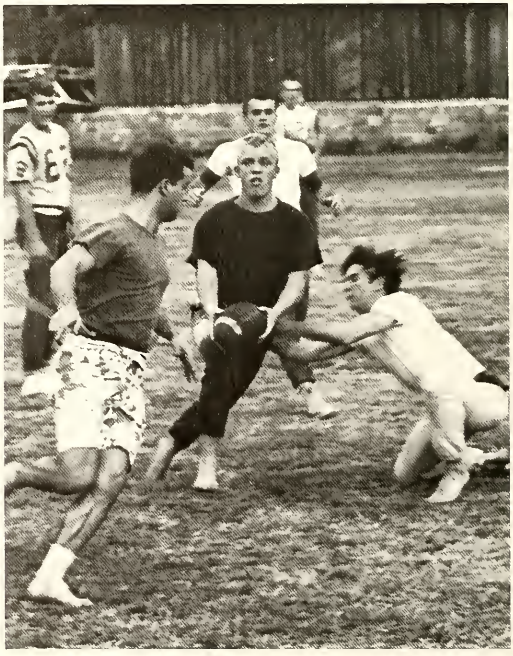

The 5.4 mile **cross-country** course was trod upon as Lambuth's Dennis Renshaw set a new school record when the Eagles met Southwestern and Christian Brothers College.

Track was very promising this year with the grant of athletic aids to many talented freshmen coming to Big "L".

The **Intramural Program** at Lambuth provides a chance for everyone to participate in some form of athletics. The Intramural Committee awards a trophy to the group accumulating the most points during the year. A major sport—football, basketball, track, volleyball, or softball—counts as ten points while the minor sports—tennis, cross-country, badminton, table tennis, and archery—counts as five. In order to keep the trophy a group must win it for two consecutive years.

Football season provides one of the most exciting events on campus. The Kappa Sigma team finished in first place with another undefeated season. The Dorm Independents, with a very strong team beat Kappa Alpha to take second place. A new 1.8 mile cross-country course was laid out and thirty-six men braved a cold, sleeting day to test their endurance. First and second place went undisputingly to Dorm Independents, but Kappa Sigma racked enough total points to win the meet. A very interesting volleyball season ended with the Independents taking the first place crown that has so long been theirs. Softball was more exciting than usual as Kappa Sig came through with key victories over second place Kappa Alpha and third place DI's.

The **women's intramural** program is based on the same point system as the men's with speedball taking the place of football. This year **speedball** events attracted a large number of spectators as the OAPi's gave the DI's a run for their money, but they could not keep pace with the hard-running dorm independents. Sigma Kappa's and Alpha Zi's both had fine teams and were not considered out of the running until the very end. The **volleyball** action was once again dominated by the DI's but the most exciting game was the contest between the Sigma Kappa's and the AOPi's. To the very end the game was a thriller but the final score found the AOPi's the winners and claiming second place.

With the help of Toni Swartout, who played on the U. S. Women's Softball Championship team, the DI girls eased into first place with the Sigma Kappa's, AOPi's, and Alpha Zi's slugging it out for other positions.

Moving indoors for the winter months, **basketball** was brought to the spotlight as both men and women hit the hardwood with determined spirits. All participating teams had speed, agility, and depth. No one would make any sure predictions as the season went right down the wire. The Kappa Alpha team won the championship with a perfect 8-0 record. With equally good teams followed the Kappa Sigmas, the Dorm Independents, and the Town Independents who played excellent ball as the close scores indicate.

In Women's basketball, it's the same story as the Independents raced to the number one position and remained there for the entire season. The AOPi's and Sigma Kappa's battled for second place honors with the Sigma K's pulling through with the important win to tie for second place.

The spring sports brought everyone outside again with renewed zeal. The **track** meet was the highlight of the competition as teams matched physical skills practiced by the ancient Romans. The Kappa Sigmas dominated the scene as they won the 100 yd. dash to take second place barely ahead of Kappa Alpha and the Town Independents. **Tennis** singles were won by Kappa Alpha and Kappa Sigma took double honors. **Handball,** a very rugged sport, picked up a few spectators as Dwight Mills and Mike Dean won doubles and Robert Huff won singles competition.

Women competition in paddleball found the D.I. Pies taking both singles and doubles. Agility was the watch word as **badminton** participants swished the birdie around with Kappa Alpha capturing doubles and the T.I.'s taking first individually. Women's doubles and singles went to the Independents.

Archery wound up the Intramural year with victories for D.I. men and women.

. . . Where We Made Friends . . .

Certainly long after our college lives have ended and long after we forget many of the less permanent aspects of a college career, the memories of the most essential aspect of a school, its students, will endure.

There are always honors bestowed upon some of our fellow students. These honors are outward signs of some notable inward achievements. At Lambuth, it is a special privilege for us to applaud achievement in character and take time to remember that select group.

Perhaps the most meaningful friendships formed at a school are made in the realm of Greekdom. The bonds of brotherhood and sisterhood tie these people together through common interests, efforts, and concerns to become life-long intimate associates. Unfortunately, not everyone can be a Greek, but those who are members have gained a precious opportunity to experience social growth and a wealth of revered memories.

Miss Lambuth

Suzanne Smith

Each spring contestants for Miss Lambuth are sponsored by various campus organizations. Prior to the final pageant, the contestants attend a tea at which time they meet the judges and talk to them about their hobbies, interests, and aspirations. Through evening gown, swimsuit, and talent competition, the girls are judged on poise, beauty, talent, and personality.

The winner of the Miss Lambuth crown has the opportunity to represent the College in the West Tennessee Strawberry Festival, the Okra Festival, the Catfish Derby, and the Miss Tennessee Pageant, which is a preliminary to the Miss America Pageant.

Suzanne Smith, a sophomore at Lambuth, is from Selmer, Tennessee.

Sandy Beebe, representing her sorority, Alpha Xi Delta, is from Mt. Holly, New Jersey. She is a sophomore, majoring in elementary education.

From Bells, Tennessee, **Sherry Freeman** is a member of Sigma Kappa and a sophomore, majoring in elementary education.

Omicron Phi Tau

Omicron Phi Tau is a local honor fraternity organized in 1930 on the Lambuth campus. The purpose of this organization is to promote scholarship in the College. Eligibility in the first semester of the junior year requires an average of 2.5 on a 3 point system; in the second semester, 2.25. These requirements are in line with national honor fraternities. Omicron Phi Tau meets several times a year to discuss problems in all the disciplines. There are also a number of professors and administrative officials who belong to the fraternity.

Who's Who

Among Students in American Universities and Colleges

One of the highest awards of Lambuth College was bestowed this year upon fifteen seniors who were selected for Who's Who in American Colleges and Universities. Each year a committee of faculty and administration selects a group of seniors to receive this honor, based on character, scholarship, and leadership. At a special convocation in the spring, recognition was given to Jerrie Nell Barnett, Gloria Bryson, Sandra Byrd, Jean Gilbert, Andrew Halford, Pete Hostetler, Edwin Hubbard, Robert Huff, Ron Iden, Betsy King, John Parish, Joan Rust, Becky Thurston, David Whetstone, and Carolyn Hinton Hopper.

From Shiloh, Tennessee, **Jerrie Nell Barnett** is president of Lambda Iota Tau and a member of Omicron Phi Tau. As an active member of Alpha Omicron Pi, she has served as treasurer.

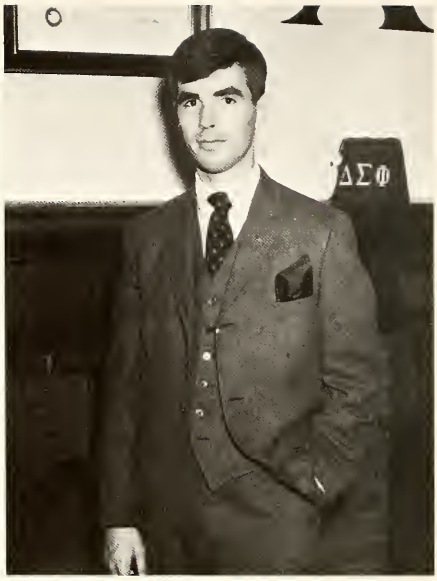

Gloria Bryson, from Pickwick Dam, Tennessee, is corresponding secretary of Alpha Omicron Pi and business manager for The Lantern. Also she has served as a member of the Judicial Committee.

A member of SNEA and the touring choir, **Sandra Byrd** is from Covington, Tennessee. She has served on the Dormitory Council.

From Paducah, Kentucky, **Andrew Halford** is president of Delta Sigma Phi, vice-president of Lambda Iota Tau, and feature editor of The Lantern.

Secretary of the Student Body, **Jean Gilbert** is from Jackson, Tennessee. Also, she is a member of the SCA Council and has been in the touring choir.

As an active member of Kappa Sigma, **Pete Hostetler** is president of the Senior Class and from Bloomington, Illinois. He has been a member of the Student Council.

As Grand Master of Kappa Sigma, **Robert Huff** is from Memphis, Tennessee. In his four years, he has served as president of the Inter-fraternity council and president of the Junior class.

Edwin Hubbard, from Memphis, Tennessee, is treasurer of Kappa Sigma and has served as chairman of the College Social Committee. Also, he is on the tennis team.

From Newark, Ohio, **Ron Iden** is the vice-president of the Student Body, has served on the Religious Life Council and has also served as editor of **The Vision**

Serving as president of Sigma Kappa, **Betsy King** is from Jackson, Tennessee. While at Lambuth, she has served on the Panhellenic Council and treasurer of the Junior class.

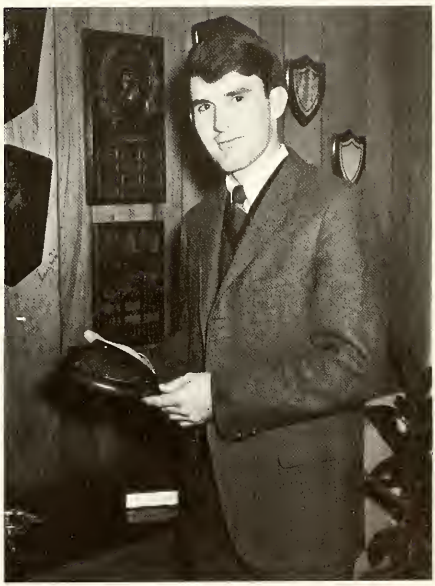

From Milan, Tennessee, **John Parish** is No. II in Kappa Alpha and Typical Ed. Also, he has served on the Student Council.

Joan Rust, from Bells, Tennessee, has served on the Judicial Committee, Student Council, and Dorm Council.

From Memphis, Tennessee, **Becky Thurston** is president of Alpha Omicron Pi, secretary-treasurer of Lambda Iota Tau, and Senior class favorite.

THE STUDENT GOVERNMENT ASSOCIATION serves as the voice of the students throughout the academic year. Divided into three distinct branches, executive, legislative, and judicial, the student government as a whole is representative of the student body of Lambuth College. Composing the executive body is the president, vice-president, secretary, and treasurer. Its job is to select the various committees of the student government and then proceed to see that they are carried through the legislative body of the Student Council, the real voice of the students. It is composed of the four representatives of each class and is presided over by the vice-president of the Student Government. The annual job of the judicial committee is to preside over the campus elections as well as Freshman Week.

Religious Life Council

Helping to give each Lambuth student opportunities to enrich his spiritual life as well as his social and academic life is the Religious Life Council. During the year the students, faculty, and local ministers who comprise this committee sponsor various speakers, programs, and films which provide each person with a chance to learn about himself and others. Two of the annual projects of the council are Religious Emphasis Week and the Christmas Candlelight Service. Religious Emphasis Week is intended to broaden both the spiritual and intellectual outlooks of all who participate. The Christmas candlelight service has become a tradition at Lambuth and is inspirational to students and faculty alike. Certainly through these two activities and others on the whole, the Religious Life Council serves Lambuth well in all it undertakes.

Voluntary attendance runs high during Religious Emphasis Week

Dennis Hudson, Jane Morris and Dr. Blankenship, with guest speakers, Dr. Mauck, and Mr. Leo seem to be enjoying a good laugh before the panel discussion starts.

Religious Emphasis Week speakers draw crowds of students even when attendance is not required.

Some people come to hear the interesting speakers, but others just come to eat.

Dr. Mauck and Dr. Blankenship also enjoy informal discussion with students.

Student Christian Association

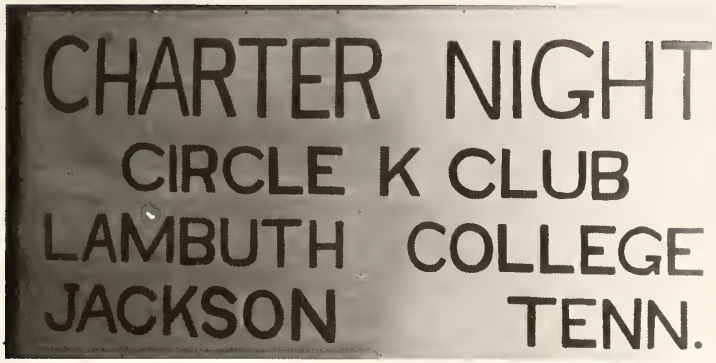

Student Christian Association Council Bette Eppes, Hope Clayton, Coni Goodwin, Jim Steigler, and Jean Gilbert listen attentatively to Dean Townsend as he discloses program ideas for up-coming meetings.

Some SCA Council members—Sally Lewis, Cindi House, Sheron Mason, and Jack Jagoditsch—seem to feel more at home in the SCA kitchen preparing meals than working on the programs.

One of the most active organizations on campus is the Student Christian Association. Each Sunday evening SCA presents thought provoking programs, films, or lecturers which challenge all who attend. Also, the SCA works hand in hand with the Religious Life Council to make Religious Emphasis Week a success. Providing fun, fellowship, and inspiration is the annual SCA retreat. This weekend outing has proved very effective in helping to bind both students and faculty into closer relationships. Because it is so challenging in every way to the lives of Lambuth's students, SCA is a vital part of campus life.

— ATTENTION —

The staff of the Vision is planning to increase the number of papers released per month. This increase calls for a consequent expansion of the staff. Anyone who has worked on a paper in high school, who is interested in journalism, or who thinks he would enjoy being a part of the Vision evaluate its techniques and see if all is being done that can be done to produce a winning basketball team. With the advent of athletic scholarships here at Lambuth, things (basketball in particular) . . should be looking up.

Yours truly,

Also, there has been some interest in starting a journalism club, such as Quill and Scroll, here on the Lambuth campus. This organization would meet perhaps once a month to discuss with competent authorities the basic elements of good journalism.

Spirit

To those who are brothers in the fraternity system and who are united by the heritage of past generations, there are numerous occasions for associations with others, endless opportunities for service, and added incentives for high scholarship.

Brotherhood

Fellowship

Sisters knit together by bonds of friendship and love exhibit the spirit of service in various activities throughout their college careers. Through interactions with members of these selective groups, they personify the tradition for which they stand, but at the same time, focus their attention on the future.

Panhellenic Council

Lambuth College Panhellenic Council, a member of the National Panhellenic Conference, endeavors to maintain among the sororities on Lambuth's campus high scholastic and social standards, a spirit of cooperation in service, and a feeling of a common bond of sisterhood among all Greek women. The organization serves not only to unite the three sororities, but also to link them to the college community as a whole, and to promote in the college community a strong and united Greek system.

Interfraternity Council

Left to right: Chuck Harris, Ed Harvey, Hal Vaught, Dean W. K. Whetstone—Adviser, Jim Ostner—President, Andrew Halford—Secretary-Treasurer, Robert Huff, Dick Robertson, Fred Musser, and John Parish.

Interfraternity Council is composed of representatives from each of the national fraternities on campus. Its purposes are to promote cooperation between the fraternities and the college community, to promote cooperation and understanding among the fraternities, to coordinate the activities of the fraternities, and to promote and uphold the aims of Lambuth College. In striving to meet these goals the Interfraternity Council also stresses the building of strong character in all Greek men.

Alpha Xi Delta

Success marked the year for Alpha Xi Delta in philanthropy. Boys' Town near Jackson was the major project. In carrying out this project the girls gave birthday parties and special Saturday outings for the boys. The Christmas project of sending cards to our servicemen in Vietnam was rewarded by the many answers received. The year's activities included the annual Christmas party, the Blue & Gold Ball, the Quill Banquet honoring the Seniors and Founder's Day marking the 74th year of Alpha Xi Delta.

Alpha Omicron Pi

With the memories of the All-Sing victory and Mrs. Hampton's trip to Europe, the Alpha Omicron Pi's began the first semester with philanthropic projects. The proceeds from the AOPie Supper and the musical, both annual events and very successful on campus, went to their national philanthropic project—the Frontier Nursing Service. This year the annual Rose Ball was held in December, using the theme, "Christmas Concerto." As in previous years, the AOPi's continue their support of the Lambuth Spirit and in all phases of college life exhibit the ideals of their sisterhood.

Sigma Kappa

Is this the way you pledges "study"?

Returning from national convention in Puerto Rico with a one hundred per cent initiation award, the Sigma Kappa representatives imparted renewed vigor and an even stronger spirit of sisterhood to the chapter. Relating this vigor to community and campus activities, the Sigma Kappa's participated in the annual Lion's Club paper sale and made tray favors for those in the hospital at Christmas. Balancing philanthropic projects with social activities, Sigma Kappa held its annual Spaghetti Supper, presented its long awaited formal, and joined other Greeks in welcoming visitors on campus during Homecoming.

Fraternity Sweethearts

A time to remember that exciting moment when you first learned that you had been chosen sweetheart of your favorite fraternity; a time to remember formals, flowers, sweetheart pins, and that inevitable cold shower back at the dorm; a time to remember a year of work, fun, and that special feeling of "belonging." Being chosen fraternity sweetheart is truly a time to remember.

The Delta Sigma Phi's began a successful year with a good rush season followed by an impressive initiation in the second semester. Highlights of the year included a Founders' Day Banquet and Dance, assistance with the Lions Club Paper Sale at Christmas, a visit from the Assistant Executive Secretary, the annual Carnation Ball, and Sailors' Ball to climax the year. This has been a year of fun and service for the Delta Chi Chapter of Delta Sigma Phi.

Kappa Alpha Order

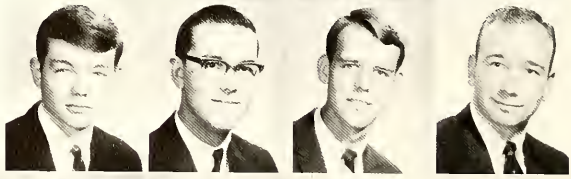

Kappa Alpha Order strives to build well-rounded college men by emphasizing leadership, scholarship, service, athletics, brotherhood, and social development. This year brothers of the Order served both the college and the community. Excellence in other areas brought to members of the chapter individual honors in many fields. Completing the spectrum of activities for members of the chapter were the social functions highlighted by the Christmas Formal and the traditional Old South Ball.

Kappa Sigma

This year Kappa Sigma participated in the Christmas All-Sing, which included all Greek organizations from Lambuth and Union. The men of Kappa Sigma further exhibited their Christmas spirit by participating in the Lions Club charity paper drive, and by helping a needy family. At the annual Black and White Ball the Kappa Sigma brotherhood was at its best with the highlight of the evening being the announcement of active and pledge of the year. With participation in various campus activities and community services, the brothers of Kappa Sigma concluded a great year.

. . . And Where We Had The Times Of Our Lives . . .

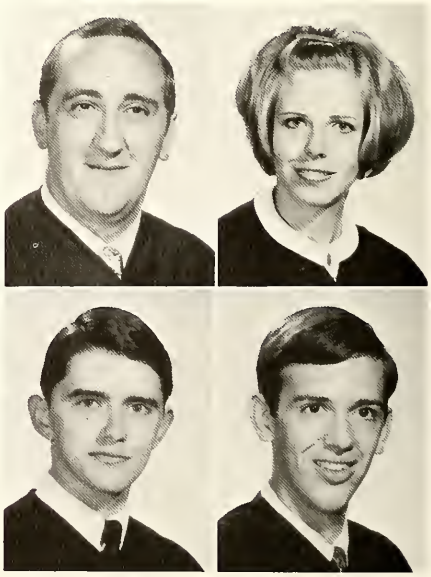

College is serious business. It is work and preparation for a life time of usefulness. But more than anything, college is the place where we have the times of our lives. A school in itself does not afford these good times, but the nine hundred people who attend Lambuth combine with the buildings, the setting, the faculty, and the administration to create a throbbing, exciting atmosphere of youthful optimism that is savored and enjoyed to the hilt. More than anything else, our friends and classmates make our college experience enjoyable. Therefore, as we momentarily stop to recall the many experiences of a year from our lives, we will forever reserve a most significant place for the friends and schoolmates who made the year at Lambuth the meaningful and pleasurable experience that it was.

'66-'67 Has Been A Time To Remember A Year Of . . .

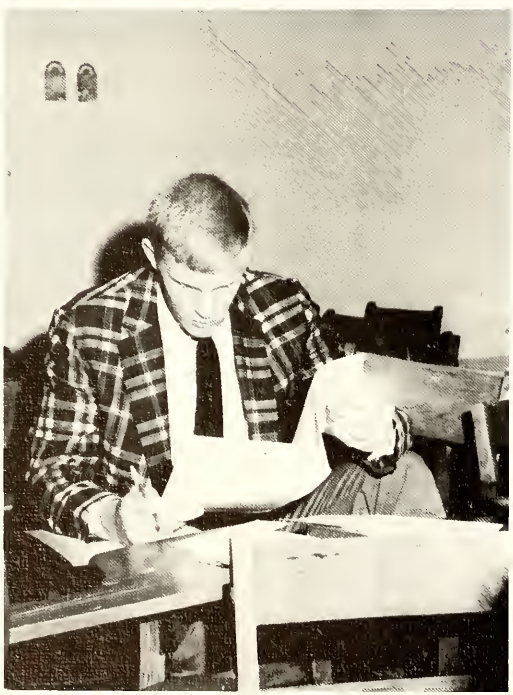

. . . Free Academic Inquiry . . .

Luther L. Gobbel Library, the center of free academic inquiry.

Finals, the testing of the students' ability, comprehension, and physical endurance.

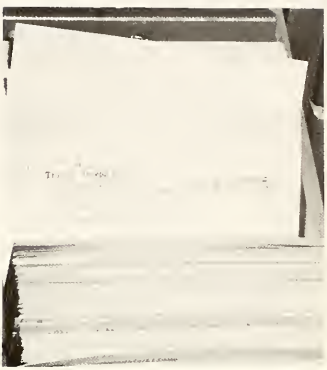

Registration for classes, the beginning of a semester of work and worry.

Freshman English gets the best of 'em down.

"And now for my term-paper research."

You wouldn't believe the price of eggs in China.

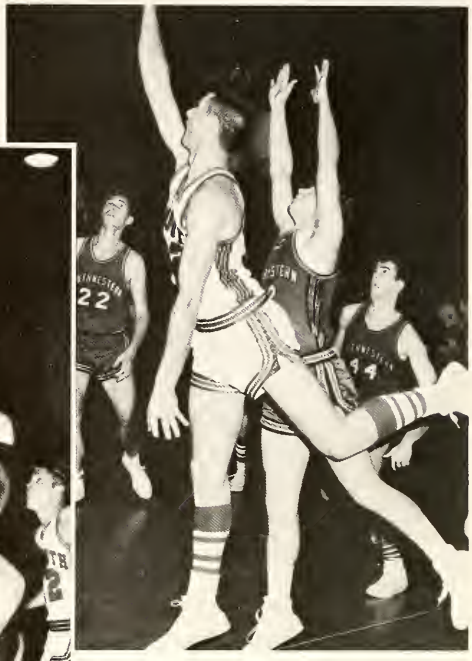

A multitude of new ideas here for the taking—"not the books, just the ideas."

. . . Fun Through Participation and Fellowship . . .

Sports Participation

Walter and Abe practice for their favorite class "ballet."

Informal Parties and Dances

Did you see the K. A.'s? They looked like a chorus line.

Informal Meeting Places

Gab Sessions in the Dorm

"Do you think Teague will ever get that drop?"

Eight ball in the side pocket.

All College Picnics

"Maybe the bugs will flavor the beans."

Music, media between God and man.

. . . Communion with God and Fellow Men . . .

Dedication of the new student center.

The Methodist way—food and fellowship.

The Chapel—center of worship.

Dr. Blankenship, Dr. Mauck, and Dr. Leo at Religious Emphasis Week discussion

One of the most interesting and inspiring programs was presented to the Lambuth students this year during Religious Emphasis Week. In an informal setting Dr. John Leo of the Catholic faith, Dr. Harry S. May of the Jewish Community, and Dr. Donald Mauck of the Protestant faith discussed and compared their religions in relation to their relevance to modern man. These men, all leaders in their religious sect, raised questions and encouraged dialogue. Religious Emphasis week was a time of interaction and communion with men of other faiths as well as a time of self analysis.

The Common Room

. . . Memories of Those Little Things So Significant to All . . .

The curiosity of humans about curious animals.

Familiar sight, loafers and leaves.

Doors that aren't for use.

Appetizing—isn't it?. .

"Do like that pizza!". .

The struggle to open that always empty mail box.

A new snack bar, with **good** food even!

Blow, Beverly, Blow!

An almost winning season!

COLLEGE CALENDAR
1966-67

Sept. 18—All freshmen collapse from exhaustion.

Nov. 15—Mr. Hazlewood has a spizzarinctum.

Nov. 28—Dr. Blankenship tells shady joke.

Dec. 4—Harris Hall mourns the death of Doug.

Dec. 16—Patty Page catches Dr. Blankenship's joke.
Eagles win **two** in a row!

Jan. 8—Mr. Adamson volunteers to be campaign manager for Goldwater in '68.

Jan. 20—Potatoes in the cafeteria.

Feb. 8—Dean Townsend and Larry Ray injured in campus brawl.

March 11—Epworth Dorm Council holds regular meeting in President's private dining room.

March 23—D.I. Pies **win** a ball game.

. . . Preparation and Anticipation

Seniors search for their place.

Today's seniors will tomorrow fill the chairs of leadership.

Finally seniors step from student to alumni.

Advertisements and Student Directory

Thank you for being a part of the Lambuth College yearbook, THE LANTERN, as one of our advertisers. We sincerely appreciate your firm's presence through its advertisement.

Lambuth is grateful for its many friends in the business and professional community of both Jackson and the area. Our desire is to continue to merit the confidence and support which you have given us.

THE PURPOSE OF LAMBUTH COLLEGE

The primary purpose of Lambuth College is to create a Christian community of free inquiry wherein men and women may develop to the fullest their God-given capacities and become responsible leaders who will seek to render useful service to God and man.

As a liberal arts college, Lambuth endeavors through its curriculum to help the student to reach an understanding of his cultural heritage that will broaden his perspective, and enrich his personality and enable him to think and act wisely amid the complexities of the present age. The curriculum has been designed to avoid premature specialization and to integrate the humanities, the social sciences and the natural sciences for their mutual enrichment.

As an institution of higher learning, Lambuth College expects the student to acquire certain skills and knowledge during his four years of college, including the ability to read, write and speak the English language competently; a familiarity with the best in literature; an understanding and appreciation of the language and culture of at least one other people; an understanding and appreciation of our spiritual, social, political and economic heritage; the ability to promote and maintain mental and physical health; the ability to examine life critically, appreciatively and comprehensively and a competence in at least one field of knowledge which will help to prepare him for a profession or vocation.

As an institution of the Methodist Church, Lambuth College recognizes the interdependence of education and religion. Lambuth, therefore, reaffirms the Wesleyan emphasis on the necessity for both academic excellence and a genuine religious experience that issues in the highest standards of personal integrity. The college always endeavors to provide a congenial atmosphere where persons of all faiths may study and work together for the fullest development of their total lives.*

WITHIN MY BOOK OF MEMORIES

Within my book of memories
Are special thoughts of you
And all the many nice things
You so often say and do—
And as I turn the pages
And recall each single thought
I realize the happiness
That knowing you has brought.
There are memories of [illegible]
shared
[illegible] bright and cheerful days
[illegible] memories of your kindness
[illegible] friendly, thoughtful ways
[illegible] memories of your laughter
And gay and cheery smile
That add a tonic note to each day
And make life more worth while.
There are memories of the things we planned
Each friendly little chat
When we would get together
And just talk of this and that—
And when I recall these memories
As I go along life's way
I find they grow more precious still
With every passing day.
